

GHD Inc. intends to submit a proposal for Los Angeles County Department of Public Works (LACDPW) As-Needed Engineering and Project Management Support Services, [Project ID AED7740085](#) and seeks DBE teaming partners for the proposal.

The project is a three-year on-call contract with LACDPW. The project requires proven experience in general services for Water Resources, Flood Hazard Mitigation, Environmental Engineering, Waterworks and Related Engineering, and Telemetry Systems. Proposals are due Tuesday, October 31, 2017 at 2:00 pm.

The as-needed contract has as a total aggregate, not-to-exceed amount of \$60,000,000. In accordance with the County's Community Enterprise Program for participation by qualified disadvantaged business enterprises, GHD is soliciting statements of qualifications from CBE-certified regarding the following services: environmental documentation, surveying, potholing, integrated regional watershed management, architecture, and geotechnical investigations.

If you are interested in this teaming opportunity, please send a statement of qualifications to Dom Sinacola at dom.sinacola@ghd.com or call 971.925.3755. We have more information regarding project scope, but we encourage everyone who may be sending information to seek out the County's RFP before following up.

We request that statements of qualifications avoid boilerplate language and briefly focus on the following attributes in sharing firm experience:

- Experience with LA County and associated departments
- Experience with on-call contracts
- Experience in the local area or related coastal zones

We greatly appreciate all consideration and effort applied to this teaming potential, and we look forward to further communicating with candidates.
