

GHD is bidding to perform the Consulting Engineering Services for the Inland Empire Utilities Agency Baseline Recycled Water Pipeline Extension Project No. EN17049. The project will extend the existing 24-inch recycled water pipeline located in Baseline Avenue to Cherry Avenue in the City of Fontana. Proposals are due Thursday, November 9, 2017 at 2:00 pm.

The Baseline Recycled Water Pipeline Extension Project will be funded by a State Water Resources Control Board State Revolving Fund. In accordance with Reference 40 Code of Federal Regulations Part 33 – Participation by Disadvantaged Business Enterprises in U.S. Environmental Protection Agency Programs, GHD is interested in subcontractor DBE quotes for the following services: surveying, potholing and geotechnical investigations.

DBEs interested in this opportunity can request the project scope and send quotes to Alice Jiang at alice.jiang@ghd.com or by calling (949) 585-5218.
