We are inviting your Company, , to bid on:

**Gowanus Expressway Steel Repairs & Ramp D Deck Replacement in New York City**

**Owner:** NYSDOT **Bid Date:** March 19, 2020 10:30 AM **Duration:** 72 Months  
**M/WBE:** 20% (Combined Goal)

**PROJECT DETAILS**

**Contract No. D264197**

**Gowanus Expressway Steel Repairs & Ramp D Deck Replacement in New York City (Bents 0 to 322)**

This project is located on the Gowanus Expressway (I-278) and the Prospect Expressway in Kings County, Borough of Brooklyn, New York. For the Gowanus Expressway, the project begins in the vicinity of the Verrazano Narrows Bridge and extends northward to the vicinity of Rapelye Street.

The scope of work under this contract is briefly described as, but not limited to, the following:

- 1) Remove the existing deck at the bridge on the Westbound Entrance Ramp D and replace the deck with new Cast-In-Place Concrete, and rehabilitate the bridge and adjacent walls.
- 2) Reseal concrete deck joints on the Mainline and Ramps between 6th Avenue Abutment and 54th Street, and between 24th Street and Clinton Street Abutment, and on the Exit Ramps to 38th Street and 39th Streets.
- 3) Repair Structural Steel superstructure in various areas. Restore bearings and paint the structural steel.
- 4) Replace three existing Aluminum Overhead Sign Structures on the Mainline Viaduct located between Prospect Expressway and BQE Connector Ramp with new Steel Overhead Sign Structures.
- 5) Operation of the Bus/HOV Lane during construction is by others (NYCDOT). Coordinate staging with NYCDOT.

SUBCONTRACTING & MATERIAL SUPPLY OPPORTUNITIES INCLUDE, but are not limited to, the following: Trucking/Hauling, Asbestos Removal, Asphalt Milling & Paving, Traffic Control Items and Maintenance, Demolition Work, Excavation/Grading, Aggregates, Bridge Barrier/Concrete Barrier, Ready-Mixed Concrete, Misc. Concrete Flatwork, PCC Pavement, Saw Cutting, Grooving Concrete Pavement, Concrete Repairs, Stone Masonry, Lead Abatement, Meter Cabinet, Lighting/Electrical, ITS, Reinforcing Steel, Structural Steel, Steel Repairs, Bearings, Sealing of Existing Bridge Joints, Armorless Bridge Joints, Bridge Painting, Downspouts, Cleaning of Scuppers & Downspouts, Surveying, CPM Scheduling, Field Office Trailer and Supplies, Overhead Sign Structures, Line Striping, Shear Studs

We are encouraging DBE Subcontractors and Vendors who are registered with the directory of New York State Certified DBEs found at the following internet address: <https://nysucp.newnycontracts.com/> to participate in this project.

To be compliance with the contract requirements for NYS Civil Rights reporting, it is recommended that **ALL DBE & NON-DBE Subcontractors** and **ALL DBE Vendors** have an active EBO account prior to the bid date. Subcontractors/Vendors can access an EBO application, as well as Login & Password information using the following link: <https://www.dot.ny.gov/dotapp/ebo/instructions>

All proposals must include: Bid Item Numbers; Addenda's, Copy of EBO Registration, and Copy of NYSDOT DBE Certificate\* (All NYSDOT DBE certificates must be current at bid time and remain current for the duration of the project)

**Plans, Specifications, Addendum, and Boiler Plate Templates of our Subcontract/Purchase Order (“Agreement”) are available on SmartBidNet.com, your firm will be required to execute IF AWARDED the contract. You must base your bid upon the contractual terms and conditions as they are reflected in the Agreement, without amendment. The upstream contractual environment on the Project is demanding and we will not entertain revision to the contractual boilerplate, which should instead be reflected in your bid price. Any questions or concerns please email Colleen Connors-Casenta at [cconnors@schivone.net](mailto:cconnors@schivone.net).**

**All proposals and scopes to be uploaded to smartbid and emailed three (3) days prior to bid to our Lead Estimator, Ryan Mliczek ([rmliczek@schivone.net](mailto:rmliczek@schivone.net)) and emailed to [cconnors@schivone.net](mailto:cconnors@schivone.net).**

You can respond by clicking on one of the links above to let us know your intentions.

Your participation is appreciated and encouraged.

If you have any questions regarding this project, please contact me.

Thank you,

Ryan Mliczek  
Lead Estimator
