Re: CBE-certified Team Members for GHD's LA County On-Call Consultant Services for Implementation and Other Support for Safe, Clean Water Program

To Whom It May Concern:

GHD Inc. intends to submit a proposal for Los Angeles County Public Works (LACPW) On-Call Consultant Services for Implementation and Other Support for Safe, Clean Water Program , Project No: BRC0000302.

The project is a three-year on-call contract with LACPW. The project requires experience in water resources and stormwater management. Proposals are due **Tuesday, February 15, 2022**, at 4:00 pm.

The total, aggregate, not-to-exceed annual amount for the Program is \$100,000,000; it is anticipated that up to 20 contracts will be awarded. In accordance with the County's Community Enterprise Program participation by qualified firms , GHD is soliciting statements of qualifications from CBE-certified firms for the following services:

- Water resources related to groundwater
- Water quality and stormwater
- Flood hazard mitigations and hydrology/ hydraulics
- CEQA/NEPA
- Environmental engineering related to sanitary engineering, industrial and solid waste, greenhouse gas analysis, and Envision
- Geotechnical engineering
- BMP inspections
- Telemetry Systems
- Survey
- PS&E
- Public Outreach

If you are interested in this teaming opportunity, please send a statement of qualifications to Paul Glenn at paul.glenn@ghd.com or call 760.415.6177. We have more information regarding project scope, but we encourage everyone who may be sending information to seek out the County's RFP before following up.

We request that statements of qualifications avoid boilerplate language and briefly focus on the following attributes in sharing firm experience:

- Experience with LA County and associated departments
- Experience with on-call contracts
- Experience in the local area

We greatly appreciate all consideration and effort applied to this teaming potential, and we look forward to further communicating with candidates.

Regards,
