

# AMERICAN DBE

American Diverse Business Enterprise Magazine

## MEDIA KIT

The premier resource for diverse companies, administrators and professionals doing business in the infrastructure, construction and transportation industries.

# AMERICAN DBE

American DBE Magazine is a publisher of content to help diverse firms in the infrastructure, construction and transportation industries thrive in business. Our mission is to provide industry information, opportunities, and business trends to industry stakeholders to foster dialogue and collaboration between diverse firms, buying organizations and large corporations, thereby increasing the success of all stakeholders.

## About American DBE

American DBE is the only print and digital publication focused on providing information, business opportunities and business trends to diverse businesses in the design, construction and transportation industries. American DBE is a national magazine published quarterly and distributed in all 50 states to diverse firms, diverse program administrators, corporate executives and industry stakeholders. American DBE provides an objective platform via multimedia resources to highlight major projects, contracting opportunities, program components, industry Best Practices and trends.

Through feature stories, profiles, guest columnists and project updates, American DBE connects industry professionals and diverse program administrators through a nationwide publication providing local, state, regional and national news about diverse program activities in the United States.

American DBE publishes stories covering the following industry segments: Transportation Infrastructure Design and Construction, Airport Concessions, Commercial Building Design and Construction, Public Transit, Aviation Industries, and good & services supporting transportation and construction.

## Why advertise in American DBE?

American DBE presents a unique opportunity to connect directly with firms in the infrastructure, construction and transportation industries. We are the only publication that is targeted to this segment of diverse firms. American DBE is an efficient tool to market your organization's products, services or business opportunities. American DBE connects your organization to diverse firms, industry executives, suppliers, and leading corporations in the targeted industries.

Advertising in American DBE allows your organization to:

- Market your products and/or services to an established target market of business owners, industry professional, and executives.
- Enhance positioning and increase visibility in the marketplace as a industry leader.
- Introduce your company's products and services nationally to potential customers with the infrastructure, construction and transportation industries.
- Promote your business to a captive national audience of targeted diverse business program stakeholders including:
  - ✓ Corporate and Agency Executives
  - ✓ Design and Construction Executives
  - ✓ Diverse Business Owners
  - ✓ Manufacturers and Suppliers
  - ✓ Prime Consultants and Contractors
  - ✓ Program Administrators
  - ✓ Airport Concessionaires
  - ✓ Strategic Partners
- Announce upcoming business contracting opportunities to facilitate robust participation of diverse companies.
- Find new markets and extend existing marketshare within the infrastructure, construction and transportation industries.
